

## **Relocation of USB BF54x documentation**

With Update 4 of VisualDSP++ 5.0 the documentation for the USB HDRC controller has been relocated to

`$(ADI_DSP)\Blackfin\docs\drivers\usb\controller\otg\adi\hdrc\adi_usb_hdrc.pdf`

Where `$(ADI_DSP)` is the location of the VisualDSP++ 5.0 installation.

The new document covers both the BF54x and BF52x range of processors.
